- ▶ Designing presentation templates following guidelines or agreed analytical axis
- ▶ Preparing the data in Excel
- ▶ Entering the data withing PowerPoint (tables, charts)
- ▶ Checking the datasets and presentations
- ▶ Delivering to client requirements – to the highest quality and agreed time schedules

### Profile:

---

**Essential:**

- ▶ Advanced proficiency with MS Office Suite, esp. PowerPoint and Excel
- ▶ Bachelor's degree in Economics, Marketing, Business Communication, Journalism
- ▶ Analytical mind with a good eye for detail

**Desirable:**

- ▶ French (B1)
- ▶ Strong organizational, multi-tasking and time-management skills
- ▶ Interest for Data design and data visualization

**We offer:**

---

- ▶ A constant internal training in marketing research, statistics, and graphic design
- ▶ Experience with a range of prestigious French and international clients
- ▶ Friendly work atmosphere in multicultural environment
- ▶ Fix and variable remuneration
- ▶ Laptop
- ▶ Health insurance
- ▶ Physical office (with possibility to work remotely)

The position is available immediately.
